1. Rationale and Aims

This policy aims to ensure that:

- Suitable education is arranged for pupils on roll who cannot attend school due to health needs
- Pupils, staff and parents understand what the School is responsible for when this education is being provided by the local authority

2. Legislation and guidance

This policy reflects the requirements of the [Education Act 1996](#).

It is also based on guidance provided by our local authority.

3. The responsibilities of the School

3.1 If the School makes arrangements

Initially, the school will attempt to make arrangements to deliver suitable education for children with health needs who cannot attend school.

- A personalised or part-time timetable, drafted in consultation with the Headteacher/SENCO
- Access to additional support in school
- Online access to the curriculum from home via SeeSaw or Tapestry
- Movement of lessons to more accessible rooms where possible
- Places to rest at school
- Individual assessment arrangements to manage anxiety or fatigue

3.2 If the local authority makes arrangements

If the School can't make suitable arrangements, Bristol City Council will become responsible for arranging suitable education for these children, often through the use of Bristol Hospital Education Service (BHES).

If this is the case, then BHES will provide:

- Access to education support in line with statutory guidance that is aimed at increasing the student's engagement with full time provision.
- Termly reviews of student's progress including teacher assessments.
- Support to students on their reintegration into school.
- A lead worker to liaise with a named school based key worker.
- Liaison with the service assessment officer where necessary.
- Details of the support provided by pupil premium funding if this funding is passed from the school to BHES

In cases where the local authority makes arrangements, the School will:

- Work constructively with the local authority, providers, relevant agencies and parents to ensure the best outcomes for the pupil
- Share information with the local authority and relevant health services as required
- Help make sure that the provision offered to the pupil is as effective as possible and that the child can be reintegrated back into School successfully

When reintegration is anticipated, work with the local authority to:

- Plan for consistent provision during and after the period of education outside the Academy, allowing the pupil to access the same curriculum and materials that they would have used in School as far as possible
- Enable the pupil to stay in touch with School life (e.g. through newsletters, emails, invitations to School events or internet links to lessons from their School)
- Create individually tailored reintegration plans for each child returning to School
- Consider whether any reasonable adjustments need to be made

4. Monitoring arrangements

This policy will be reviewed annually by the SENDCo and Headteacher. At every review, it will be approved by the full governing board.

(The DfE advises that you review this policy annually, in its [list of statutory policies.](#))

5. Links to other policies

This policy links to the following policies:

- Accessibility plan
- Supporting pupils with medical conditions
- SEND Policy
- Admissions Policy
