The Oxford Owl website has a huge library of ebooks: https://home.oxfordowl.co.uk/ Please see attached doc from week 1 timetables for more information about book choices or email me: sppsyear1@cathedralschoolstrust.org for support.</p>

The school are aware that a child's timetable will look different for each individual family and that there may be issues around access to technology where there is more than one child in a family. There is flexibility with timings as long as learning is completed.

Please send in, via the class email, a photograph of one piece of your child's learning at the end of each day - we love to see the work the children have done and, if required, we can give feedback. Should you have any questions about the learning, please email me on: sppsyear1@cathedralschoolstrust.org
