To learn about the 7 continents: https://classroom.thenationalacademy/lessons/what-is-a-continent-c9k32d - you can use a piece of paper of the map below.

The school are aware that a child's timetable will look different for each individual family and that there may be issues around access to technology where there is more than one child in a family. There is flexibility with timings as long as learning is completed.

Please send in, via the class email, a photograph of one piece of your child's learning at the end of each day - we love to see the work the children have done and, if required, we can give feedback.

Should you have any questions about the learning, please email me on: sppsyear1@cathedralschoolstrust.org
