The Oxford Owl website has a huge library of ebooks:</p> <p><a href="https://home.oxfordowl.co.uk/">https://home.oxfordowl.co.uk/</a> At the bottom of this doc, you will find more information about appropriate book choices for your child. The website is free but you will need to create a username and password</p>

The school are aware that a child's timetable will look different for each individual family and that there may be issues around access to technology where there is more than one child in a family. There is flexibility with timings as long as learning is completed.

Please send in, via the class email, a photograph of one piece of your child's learning at the end of each day - we love to see the work the children have done and, if required, we can give feedback.

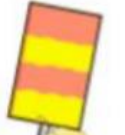

Should you have any questions about the learning, please email me on: [sppsyear1@cathedralschoolstrust.org](mailto:sppsyear1@cathedralschoolstrust.org)

## Reading

Some of the ebooks available on the Oxford Owl website have been linked to Phonics phases. Most children would be able to access the books with a number 4 next to them these would make a good starting point. All you need to do is search for the book title on the website. If you feel these are too tricky, choose a title from the start of the list. If you need a challenge, move on down the list. Any questions, please just ask in an email!
